FriendshipCircle

Fairfield County

Dear Friends,

Welcome back to another wonderful year at The Friendship Circle!

This past year has given us a lot of uncertainty and challenges, but through it all, The Friendship Circle remained true to our mission: to provide friendship and respite to our special friends and their families. Through many home visits, packages, Zoom events, and outdoor gatherings, we have stayed connected to our friends.

Looking ahead, we have no bigger wish than to finally see our friends again under healthy and safe circumstances.

We know that managing everyone's schedule can be exhausting. With that in mind, we created this complete and concise list of all our programs. We hope that you can place this calendar on your billboard so you can remain up to date and never miss a program!

We dedicate this publication to Rabbi Menachem M. Schneerson, the Lubavitcher Rebbe of righteous memory, whose teachings and wisdom inspire us to believe in everyone's infinite potential. His consistent and clear messages continue to teach us that every Jew is an indispensable part of the community.

Sincerely,

Malya Shustkin
